Request for Trading Halt

Pursuant to Listing Rule 17.1, Australian Vanadium Limited (“AVL” or “the Company”) requests an immediate trading halt be granted by the ASX, with respect to AVL’s quoted securities.

In accordance with Listing Rule 17.1, AVL advises that:

- (a) the reason for the request is to facilitate an orderly market in the Company’s securities pending an announcement regarding the base case for the pre-feasibility study on the Company’s Gabanintha Vanadium Project;
- (b) it anticipates that the trading halt will remain in place until the earlier of the commencement of normal trading on Wednesday, 26 September 2018, and when the announcement regarding the base case for the pre-feasibility study on the Company’s Gabanintha Vanadium Project is made to the market; and
- (c) it is not aware of any reason why the trading halt should not be granted.

Yours faithfully
