Australian Vanadium's WA project granted Major Project Status

The status recognises the national strategic significance of The Australian Vanadium Project through its contribution to economic growth, employment and regional Western Australia.

[Australian Vanadium Ltd \(ASX:AVL\)](#) has received Federal Government recognition of the importance to Australia of its high-grade The Australian Vanadium Project in WA's Mid-West.

The recognition is in the form of Major Project Status and it is the only vanadium project in Australia holding this status.

This status provides formal recognition of the national strategic significance of the project, through its contribution to economic growth and employment as well as to regional Western Australia.
